Bus Pads for Fairmount

WHAT/WHEN: As part of the City of Cincinnati's ongoing commitment to improving its neighborhoods, crews of Prus Construction Company will begin installing concrete bus pads on Harrison Avenue at McHenry Avenue on Thursday, September 2, 2004. Eastbound Harrison will be restricted to one lane starting at 9 a.m. On Tuesday, September 7, 2004 the lane closure will be switched to westbound Harrison. This closure will remain in effect for one week.

WHERE: Street At
Harrison Ave McHenry Ave

The Department of Transportation and Engineering oversees the rehabilitation and improvement of streets in the City of Cincinnati. The Department is also responsible for transportation planning, design, engineering services, structural and geotechnical services, right of way regulation and construction management. It is the clearinghouse for all City and regional transportation functions, and also serves as a liaison to the Southwest Ohio Regional Transit Authority. www.rcc.org/
